About the European Platform for Urban Greening

World Café

1. Principles of this method
2. Etiquette (e.g. vote with your feet)
3. Questions:
 - 1: What are other ways to involve your stakeholders?
 - 2: What activities (big *and* small) in CoVEs could contribute to the green transition?
 - 3: What do you think are the most crucial skills for the green transition?
 - 4: How are you leading by example and contributing to a sustainable society?
